

Asia Plateau Internship Program

Are you a young adult, 18 years or older, with a capacity for service and learning? Energetic and self-starting, the ready to explore a change in your life as part of bringing integrity and a positive change in India? Then consider this opportunity....

Asia Plateau, the MRA-Initiatives of Change centre in India, is offering 6-8 internships for young people who want to engage in the challenge of creating a more just and peaceful world through serving its programs, community life and outreach.

Asia Plateau operates as an international conference and training centre almost the whole year round. Programs conducted at the Centre have touched the lives of thousands-school children, government officials, municipal workers, industry leaders, and many more affecting social and national change. Situated 248 km from Mumbai on a 68 acre campus in the hill station of Panchgani, Asia Plateau is also a community of people from different countries and religions. It offers volunteers a change for spiritual growth and personal development.

Interns should be prepared to work in the different departments of the Centre and will be given training as needed - running programs, communications, kitchen and dining room service, house-keeping, administration including secretariat, reception, etc.

Period:

Internships are offered for a minimum period of :

- (a) six months, starting on September 1 or January 1 of each year for overseas residents and
- (b) ten months starting from September 1 for Indian residents.

Financial Support:

A stipend of Rs. 1,500/- per month will be offered to each intern for pocket expenses, apart from meals and shared accommodation at Asia Plateau. In return, Interns should be willing to serve the community and contribute their skills and creativity to the programs held at the Centre.

Who can Apply ?
